

SFB 960-/ BZR – Kolloquium

19. Januar 2023, 14.00 – 15:00 Uhr
im H53

Nina Weigert

Universitätsklinikum Regensburg, TP B14

„RNA editing and expression of IRAlu-containing mRNA is reduced by nuclear tumor suppressor sncRNA7SL“

Alexandre Nicolas

Biochemie III, TP B13

„Insights into Tsr3-dependent 16S rRNA modification in archaea“

Universität Regensburg
Biochemie-Zentrum Regensburg
