

CAREER PERSPECTIVES IN CLINICAL RESEARCH — WHAT DOES A CLINICAL RESEARCH ASSOCIATE DO?

ICON

Dr. Tobias Wallner

Ever wondered what “clinical research” means outside of academia? How clinical trials are conducted and which career opportunities does one have after graduating in the natural sciences (from B.Sc. to PhD)?

This talk is meant to give a basic understanding of the variety of jobs in this field, necessary qualifications, and how to kick-start your career.

I will give insights into the daily life of a “Clinical Research Associate”. A vital job for the success of clinical trials. Furthermore, I will also talk about career developments and why sales is less cliché than you think.
