LUNCH SEMINAR

Dr. Angela Riedel

Junior Group Leader
Mildred-Scheel-Nachwuchszentrum (MSNZ) for Cancer Research
Institute for Virology and Immunobiology
University Hospital and University of Würzburg

“The Tumor-Draining Lymph Node: A Key Player in Metastasis and Immunity”

Wednesday, 11 November 2026, 1:00 pm

Seminar room, Internal Medicine II
University Hospital Regensburg
Franz-Josef-Strauß-Allee 11
93053 Regensburg

The seminar room is on the 2nd basement level (2. Untergeschoss). To make it easier to find, please wait at the “Leitstelle Kardiologie” (Cardiology coordination desk); you will be taken to the room from there.
