

INFORMATION SHEET

Within the RIGeL Curriculum you have to collect a minimum volume of 180 credit points which must be documented in the digital RIGeL Leistungsheft. (For credit point system see also [www.rigel-regensburg.de / Leistungsheft](http://www.rigel-regensburg.de/Leistungsheft))

Advantages of the digital Leistungsheft

- ▶ The digital Leistungsheft is available online in the RIGeL Members Area (www.rigel-regensburg.de/member).
- ▶ You can update your digital Leistungsheft regularly.
- ▶ Within the digital Leistungsheft all credit points will be evaluated automatically.
- ▶ You can use the service of an automatically printout of Attendance Forms and Research Report Forms. (Attendance Forms just have to be signed if no other certificates or confirmation exist.)
- ▶ You can also print your digital Leistungsheft as PDF file.

Additional documentation

- ▶ Research Report forms and the protocols of the Research Reports (please upload the protocols directly to your digital Leistungsheft!)
- ▶ Course Attendance forms
- ▶ Certificates of conference participations/ meetings
- ▶ all other kind of CP related documentation

Submission requirements of the RIGeL Leistungsheft

- ▶ Before submitting the thesis, the RIGeL Leistungsheft must be submitted and signed by the RIGeL Management Office.
- ▶ Please also deliver a printout of the digital Leistungsheft with
- ▶ all Course Attendance and Research Report Forms and
- ▶ all other kind of CP related documentation (certificates, etc.).
