

RIGeL Newsletter July 2018

RIGeL News

Application & Registration Deadlines

06.07.2018 | RIGeL Application Deadline

15.07.2018 | Application Deadline - Funding of a personal student helper (Graduate Research Academy RNA Biology)

15.07.2018 | Method Course: From Ensembles to Single-Molecule Analysis - Modern Methods of RNP Analysis,

08.-12.10.2018

People

Alumni

Rebecca Moschall, [Section CBB](#) | PhD topic: „Regulation of translation and alternative splicing by the Drosophila RNA-binding protein Sister-of-Sex-lethal“, supervisor: PD Dr. Jan Medenbach

Andrea Dillinger, [Section Neurobio](#) | PhD topic: „Involvement of CTGF in eye development and the pathology of glaucoma“, supervisor: Prof. Dr. Rudolf Fuchshofer

Tanja Bartoschik, [Section CBB](#) | PhD topic: „Development and validation of new approaches for quantitative intermolecular interaction analysis by MicroScale Thermophoresis under near-native experimental conditions“, supervisor: Prof. Dr. Gernot Längst

Zugey Elizabeth Cárdenas Conejo, [Section Biomed](#) | PhD topic: „Impact of Hydroxyglutarate on Dendritic Cell Activation“, supervisor: Prof. Dr. Marina Kreutz

RIGeL Events

Career Supporting Events

- 04.07.2018 | Method Course, **RNA Lecture Series I: Mass Spectrometry in Proteomics**, Dr. Astrid Bruckmann, 17.00 h, H 53
- 05.07.2018 | Seminar series FOR2127, **Meet international experts and discuss latest developments in cancer research! - Dr. Nicholas McGranahan** (UCL Cancer Institute, London, Department of Oncology, Cancer Genome Evolution Research Group), 11.00-15.30 h, Biopark I, Hörsaal, registration: stefanie.pausch@ukr.de, Other Career Supporting Event
- 12.07.2018 | Excursion, **Bayerisches Landeskriminalamt München**, 06:45-14:00 h, Other Career Supporting Event, 0.3 CP
- 12.07.2018 | Seminar series FOR2127, **Meet international experts and discuss latest developments in cancer research! - Dr. Daniel Peeper** (Division of Molecular Oncology and Immunology, Netherlands Cancer Institute, Amsterdam), 11.00-15.30 h, Biopark III, Konferenzraum, registration: stefanie.pausch@ukr.de, Other Career Supporting Event
- 16.07.2018 | Seminar, **How to Give a Good Talk**, PD Dr. Anne Rasclé, 17.00 h, DE 2.133, registration: anne.rasclé@ur.de, Other Career Supporting Event, 0.1 CP

Lectures & Talks

- 03.07.2018 | Graduate Colloquium: **Prof. Dr. Konrad Fiedler** (Tropical Ecology and Animal Biodiversity, University of Vienna)
Title: „How moth communities change along environmental gradients“
16.00 h, DE.2.121
Host: RIGeL Graduate Colloquium Group
- 03.07.2018 | **Prof. David Prangishvili** (Institut Pasteur, Paris)
Title: „Archaeal viruses“
17.00 h, H 53
Host: Prof. Dr. Dina Grohmann/Dr. Harald Huber, SFB960-/ BZR-Colloquium
- 11.07.2018 | Alumni Talks - Ehemalige Regensburger berichten: **Sandra Meck & Marius Hausmann**
Title: „Auffangbecken oder lukrativer Karriereweg? - Pharmazeutischer Außendienst im Fokus“
17.00 h, H 53
Host: RIGeL Alumni Talks Group
- 12.07.2018 | **Dr. Lee Henry** (Queen Mary University of London, GB)
Title: „The evolution of host-symbiont dependence“
17:15 h, H 53
Host: Dr. Jan Oettler, Zoologisches Kolloquium
- 17.07.2018 | **Prof. Dr. Jens Wöhnert** (Institut für Molekulare Biowissenschaften/ Goethe-Universität Frankfurt)
Title: „RNA aptamers and riboswitches as versatile model systems to understand RNA structure, folding and ligand recognition“
17:00 h, H 53
Host: Prof. Dr. Remco Sprangers, SFB960-/ BZR-Colloquium
- 19.07.2018 | **Dr. Petri T. Niemela** (Ludwig-Maximilians-Universität München)
Title: „Studies of individual level behavior: theory vs. support“
17:15 h, H 53
Host: Dr. Tomer Czaczkes, Zoologisches Kolloquium
- 31.07.2018 | **Tomasz W. Turowski, PhD** (University of Edinburgh)
Title: „CRACing odd transcription – RNA polymerases I and III at nucleotide resolution“
17:00 h, H 53
Host: Dr. Christoph Engel, SFB960-/ BZR-Colloquium
