## RIGeL News

### Application & Registration Deadlines

18.06.2021 | Method Course SFB 1350 REN Pro: Nephropathology (Advanced Nephrology Training), 01.07.2021

09.07.2021 | RIGeL Application Deadline

### Meeting for election of the PhD and postdoc representatives of WIN

For the winter term 2021/2022 and summer term 2022 three new PhD and postdoc representatives should be elected for the Advisory Board and Executive Committee of WIN (Zentrum zur Förderung des wissenschaftlichen Nachwuchses). On this occasion, WIN invites all PhD students and postdocs to participate in the selection process from July 1st to July 16th. The registration for the election is available on GRIPS until July 9, 2021. More information on the election and the link for registration you can find on the website of WIN: [go.ur.de/win](http://go.ur.de/win).

### First RIGeL Summer School of 2021

This year's first RIGeL Summer School will take place from 24.-26.06.2021 over Zoom. The program will be available on the RIGeL website in a few days.

## People

### New PhD students

Thomas Wagner, Section MEE | PhD topic: „Driving individual and collective preference in invasive ants“, supervisor: PD Dr. Tomer Czaczkes

Henrique Galante Nunes de Sousa, Section MEE | PhD topic: „Modifying individual and collective behaviour in invasive ants“, supervisor: PD Dr. Tomer Czaczkes

Hanna Markusch, Section CBB | PhD topic: „Genomic analysis of RNA Polymerase II elongation factors in Arabidopsis thaliana“, supervisor: Prof. Dr. Klaus Grasser

Elena-Sofia Heintz, Section Biomed | PhD topic: „Protective effects of natriuretic peptides on kidney function“, supervisor: Prof. Dr. Frank Schweda

### Alumni

Fridtjof Gilck, Section MEE | PhD topic: „The Origin and History of Alpine Farming. A multiproxy palaeobotanic analysis in the Bavarian Alps“, supervisor: Prof. Dr. Peter Poschlod

## RIGeL Events

### Career Supporting Events

10.06.2021 |

**Special Seminar Series in Clinical Pharmacology** - Scientific presentation (3/7), Prof. Hala Gali-Muhtasib, Ph.D., 17.00 h, Zoom

16.06.2021 |

Method Course **RNA Lecture Series III: ChIP & beyond** - global analyses of transcription factor function and binding, Prof. Dr. Michael Rehli, 17.00 h, Zoom

17.06.2021 |

**Special Seminar Series in Clinical Pharmacology** - Scientific presentation (4/7), Prof. Hala Gali-Muhtasib, Ph.D., 17.00 h, Zoom

- 24.06.2021 | **Special Seminar Series in Clinical Pharmacology** - Scientific presentation (5/7), Prof. Hala Gali-Muhtasib, Ph.D., 17.00 h, Zoom
- 30.06.2021 | Method Course **RNA Lecture Series III**: Structure probing of RNAs and RNPs, Dr. Sébastien Ferreira-Cerca, 17.00 h, Zoom
- 01.07.2021 | **Special Seminar Series in Clinical Pharmacology** - Scientific presentation (6/7), Prof. Hala Gali-Muhtasib, Ph.D., 17.00 h, Zoom
- 01.07.2021 | Method Course **SFB 1350 REN Pro: Nephropathology** (Advanced Nephrology Training), 0.15 CP, 10:15 - 12:45 h

## Lectures & Talks

- 10.06.2021 | **Company Talk: GeneArt (ThermoFisher Scientific) GmbH**  
 16.00 h, Zoom  
 Host: RIGeL Excursions Team
- 21.06.2021 | SFB 1350 Seminar - **Dr. Katharina Broecker** (Universität Regensburg)  
 Title: „Prolyl-4-hydroxylases 2 and 3 stabilize endocrine function of renin expressing cells“  
 17.15 h, Zoom  
 Host: SFB1350
